

Central Florida Palm & Cycad Society

Meeting Minutes November 1, 2025

Libby Luedeke

Meeting called to order at 1:15 pm by President Dave Hall. Attended by Dave Hall, Trace Hines, Jeremy Evanchesky, Kieth Santner, John Rossi, and Libby Luedeke.

First order of business. Dave made a motion to acquire a square so that we can accept credit card payments going forward. It was seconded by John and voted yes unanimously.

Second order of business Keith Santner proposed entering the Winter Park Spring Fever in the Garden Festival in April 2026. Entry fee is \$200.00. Last year it was attended by over 70,000 people. Great exposure and very good opportunities for our vendors to sell plants. Seconded by Trace, we voted yes unanimously. Trace will get us entered.

Third order of business. Trace proposes that we set up a new PayPal account. A past president originally set it up and has not given our treasurer rights to make any changes or updates so setting up a new account is the most effective solution. Seconded by John, we voted yes unanimously.

Fourth order of business. Trace proposed raising our 1-year and 3-year membership rates plus adding a lifetime rate. One-year memberships would go from \$20 to \$30 per household, three-year from \$55 to \$75 per household, and a lifetime rate of \$500.00 per household. Seconded by Jeremy and we voted yes unanimously.

Meeting brought to a close by Dave and seconded by John at 1:35 pm.
